

Dear Dance Class Families,

**Please Note: The start of Winter Session classes has been postponed until 1/31/2012.**

The 2011-2012 dance year brings us all some exciting changes as well as some old favorites!

This year, class time exercises each week for students *ages 8 and up* are comprised of 2/3 ballet and modern / lyrical dance techniques; and 1/3 choreographic techniques and relaxation.

Students in these age groups who wish to perform will have a performance schedule, for which rehearsals are required on Saturday mornings.

Class time activities each week for *younger students* are comprised of 1/3 developmentally appropriate ballet and modern dance movements; and 2/3 dance combined with other arts activities, e.g. playing instruments, story-writing, etc.

Students in these age groups have the opportunity to “perform” by participating in local parades, accompanied by our float with drummers and musicians.

As in the past, some classes include a brief overlap to give different age groups the opportunity to work together.

Please peruse our schedule<sup>1</sup> and share it with your friends. Feel free to contact me with any questions.

I look forward to seeing you all – new faces, returning students and old friends!

Warmly, Lili
